

# BLIT Series — Lecture 6

General Studies — Complete Notes with Q1 to Q25

SSC CGL · CHSL · UP Police · State Exams · 2025

Q1. **Arts & Culture** 🎭 Classical dance of Vaishnavite monasteries of Assam, introduced by Srimanta Sankardev?

- ☐ A Manipuri
- ☒ B Satriya ✓
- ☐ C Kathak
- ☐ D Bharatanatyam

✓ Answer: B) Satriya

→ Classical Dances – State-wise

| Dance          | State         | Key Points                                                                                                                                                                                            |
|----------------|---------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Satriya</b> | Assam         | Vaishnavite Satras; Founder: <b>Srimanta Sankardev</b> ; Bhupen Hazarika — Bharat Ratna 2019; Other name: <b>Shuddha Kanthak</b> (asked in CGL Mains); Exponents: Jatin Goswami, Guru Ghanakanta Bora |
| Manipuri       | Manipur       | Also called <b>Raasleela</b> ; Martial form = <b>Thangta</b> ; Exponents: Jhawai Sisters, Nirmala Mehta, Guru Bipin Singh                                                                             |
| Kathak         | Uttar Pradesh | From word "Katha" (story); Thumri + Hindustani music; Exponents: <b>Birju Maharaj</b> , Lachhu Maharaj, Sitara Devi                                                                                   |
| Bharatanatyam  | Tamil Nadu    | Exponents: Rukmini Devi Arundale, Alarinel Valli, Meenakshi Subramaniam                                                                                                                               |

 MEMORY TRICK

**Trick:** **S**atriya = **S**atra (Monastery) = **S**ankardev = Other name: **S**huddha Kanthak 🎵

Q2. **Arts & Culture** 🧠 Prime example of Kalinga architecture with tall Shikhara (Rekha Deula)?

- (A) Konark Sun Temple
- (B) Khajuraho
- (C) Meenakshi Temple
- (D) **Lingaraja Temple ✓**

✓ Answer: D) Lingaraja Temple, Bhubaneswar

### → Three Main Temple Styles

| Style     | Region        | Tower    | Gateway   |
|-----------|---------------|----------|-----------|
| Nagar     | North India   | Shikhara | —         |
| Dravidian | South India   | Vimana   | Gopuram   |
| Vesara    | Central India | Mixed    | Chalukyas |

### → Kalinga (Nagar Sub-style) Terms

- ★ **Rekha Deula** — Main temple with tall curvilinear Shikhara
- ★ **Peedha Deula** — Mandap (step-like)
- ★ **Jagmohan** — Name of Mandap in Kalinga style
- ★ **Phamsana** — Flat-roofed Mandap

### → Important Temples

| Temple            | Location               | Key Fact                                                                                                                   |
|-------------------|------------------------|----------------------------------------------------------------------------------------------------------------------------|
| Lingaraja         | Bhubaneswar, Odisha    | ✓ Best example of Kalinga architecture                                                                                     |
| Konark Sun Temple | Odisha                 | Black Pagoda; chariot + 7 horses; 24 wheels = time; Built by <b>Narasimha Dev I</b> ; Rekha Deula missing → NOT the answer |
| Jagannath Puri    | Odisha                 | White Pagoda; Kalinga style                                                                                                |
| Kandariya Mahadev | Khajuraho, Bundelkhand | Built by <b>Chandela Dynasty</b> ; Kama Sutra by Vatsyayana                                                                |
| Meenakshi Temple  | Tamil Nadu             | Dravidian style — Gopuram famous                                                                                           |

#### ⚠ EXAM TRAP!

Konark ka Rekha Deula **missing/broken** hai → "Best example of Kalinga" = **Lingaraja**, Konark nahi!

Q3. **Economics**  Stagflation refers to –

- ☐ A High growth and low inflation
- ☐ B Low growth and low unemployment
- ☒ C High inflation and high unemployment ✓
- ☐ D Low inflation and high growth

✓ Answer: C) High inflation + High unemployment

**Stagflation** = **Stagnant** + **Inflation** → Low/no growth + High inflation + High unemployment

⚠ EXAM TRAP!

**Phillips Curve FAILS** here! (Phillips Curve = inflation & unemployment inversely related — but in stagflation BOTH are high)

→ **Types of Inflation (Increasing severity)**

Creeping → Walking (5–7%) → Running (10%+) → Galloping → **Hyperinflation** (1000%+)

**DEMAND-PULL** 

Too much money → demand rises → prices rise

**COST-PUSH** 

Supply shortage (crude oil, fertilizer) → input cost rises → prices rise

| Term         | Meaning                                                         |
|--------------|-----------------------------------------------------------------|
| Disinflation | Rate of inflation decreasing (prices still rising, just slower) |
| Deflation    | General price level actually falls                              |
| Nominal GDP  | GDP including inflation (not adjusted)                          |
| Real GDP     | GDP after removing inflation effect                             |

Q4. **Arts & Culture** 🎨 Chholiya – martial-style wedding dance – belongs to which state?

- (A) Rajasthan
- (B) Himachal Pradesh
- (C) Uttarakhand ✓
- (D) Uttar Pradesh

✓ Answer: C) Uttarakhand (Kumaon region)

| State            | Folk Dances                                                                                        |
|------------------|----------------------------------------------------------------------------------------------------|
| Uttarakhand      | Jhora, Champhuli, Langveer, Chanchari, Pandav, Tandi, Chholiya (Kumaon; martial style; weddings) ✓ |
| Rajasthan        | Kalbelia, Ghoomar, Suisini, Khayal, Kachhi Ghoda, Chari                                            |
| Himachal Pradesh | Naati (Nata), Dhaman (demon costume), Kayang Mala, Chapeli, Achham                                 |
| Madhya Pradesh   | Terali, Taratali                                                                                   |

🧠 MEMORY TRICK

**Strategy:** Pehle dance → state memorize karo. Phir exponents/details. Chholiya = Uttarakhand ek dum pakka!

Q5. **Geography** 🌍 Richter scale is used to measure which geophysical event?

- (A) Earthquakes ✓
- (B) Volcanic eruptions
- (C) Tsunamis
- (D) Cyclones

✓ Answer: A) Earthquakes — Magnitude (0–10)

## EARTHQUAKE SCALES

*Richter* = Magnitude (0–10, no upper limit)

*Mercalli* = Intensity (1–12)

## KEY TERMS

*Hypocenter / Focus* = origin inside Earth

*Epicenter* = surface point above focus

Max destruction at Epicenter!

Study of earthquakes = *Seismology*

### → Seismic Waves

| Wave                      | Type           | Travels Through    | Speed   | Special                                                                                                        |
|---------------------------|----------------|--------------------|---------|----------------------------------------------------------------------------------------------------------------|
| <b>P-wave (Primary)</b>   | Longitudinal   | Solid, Liquid, Gas | Fastest | 1st on seismograph; like sound waves                                                                           |
| <b>S-wave (Secondary)</b> | Transverse     | Solid ONLY         | Medium  | Cannot pass through liquid outer core                                                                          |
| <b>Surface waves</b>      | Love, Rayleigh | Surface            | Slowest | <b>MOST DESTRUCTIVE</b><br> |

### → Shadow Zones

- ★ P-wave shadow zone: 105° to 145°
- ★ S-wave shadow zone: 105° onwards (entire opposite hemisphere) ≈ 40% of Earth
- ★ S-waves absent → proves **outer core is LIQUID**
- ★ Inner core = **SOLID** (extreme pressure)
- ★ Earth's magnetic field → generated by **outer core**

#### KEY POINT

**Tsunami** = earthquake below sea level / Japanese term = **Harbor Waves**

Q6. **Polity** 🗳️ Under which article does Governor administer oath to CM and ministers?

- ☐ A Article 163
- ☐ B Article 165
- ☒ C Article 164 ✓
- ☐ D Article 167

✓ Answer: C) Article 164

**MEMORY TRICK**

**Formula:** State Article = Central Article + 89 (for articles 74–111)

| Central Article | Subject                                     | State Article | State Subject                                   |
|-----------------|---------------------------------------------|---------------|-------------------------------------------------|
| 74              | Council of Ministers (PM advises President) | 163           | State CoM                                       |
| 75              | Appointment, oath, salary of Ministers      | 164           | Oath by Governor ✓                              |
| 76              | Attorney General                            | 165           | Advocate General (highest law officer of state) |
| 78              | Duties of PM to President                   | 167           | Duties of CM to Governor                        |

- ✓ **42nd Amendment** — President/Governor bound to follow CoM advice
- ✓ **44th Amendment** — Governor can return advice ONCE; 2nd advice is binding
- ✓ **CM = Real / De facto head** | Governor = **Nominal / Titular head**
- ✓ Collective responsibility in state → toward **Legislative Assembly**
- ✓ Ministers without being member of any House → max **6 months**

Q7. **Scheme**  Mission Indradhanush is related to –

- ☒ A) Vaccination of children and pregnant women ✓
- ☐ B) Providing iron tablets to school girls
- ☐ C) Eye checkups in rural areas
- ☐ D) Cleaning rivers

✓ Answer: A) Vaccination of children & pregnant women

#### MISSION INDRADHANUSH

Launched: 2014 / Ministry: Health & Family Welfare

Target: Children up to 2 yrs (extended to 5 yrs) + Pregnant women

Covers 12 vaccines: tetanus, polio, measles, hepatitis, diphtheria, whooping cough etc.

Named "Indradhanush" (rainbow) = 7 colors = comprehensive coverage 

Q8. **History**  Who established the Ramakrishna Mission?

- ☐ A) Ramakrishna Paramhansa
- ☒ B) Swami Vivekananda ✓
- ☐ C) Dayanand Saraswati
- ☐ D) Raja Rammohan Roy

✓ Answer: B) Swami Vivekananda — 1 May 1897

### → Ramakrishna Mission

- ✓ Founded: 1 May 1897 by Swami Vivekananda; in name of Guru Ramakrishna Paramhansa
- ✓ HQ: Belur Math | Books: Rajayoga, Karmayoga
- ✓ Born: 12 January 1863 = National Youth Day | Died: 1902
- ✓ Childhood name: Narendranath Dutta
- ✓ Guru's childhood name: Gadadhara Chattopadhyay
- ✓ Chicago Speech: 1893 — "Sisters and brothers of America"
- ✓ Rock Memorial: Tamil Nadu

### → 19th Century Reform Movements

| Organisation        | Founded by         | Year                        | Key Facts                                                                    |
|---------------------|--------------------|-----------------------------|------------------------------------------------------------------------------|
| Brahmo Samaj        | Raja Rammohan Roy  | 1828<br>(Atmiya Sabha 1814) | Monotheism; "Raja" title by Akbar II; Books: Sambad Kaumudi, Mirat-ul-Akhbar |
| Arya Samaj          | Dayanand Saraswati | 1875                        | "Go Back to Vedas"; Shuddhi Movement; Book: Satyarth Prakash                 |
| Ramakrishna Mission | Swami Vivekananda  | 1897                        | HQ: Belur Math                                                               |

#### BRAHMO SAMAJ SPLIT ✂

Devendranath Tagore (Tatvabodhini Sabha 1839) → merged with Brahmo Samaj → invited Keshav Chandra Sen → fallout → 1867 Split:  
Keshav Chandra kept → Brahmo Samaj of India | Devendranath kept → Adi Brahmo Samaj

Q9. **Geography**  Primary characteristic of tropical deciduous forest?

- ☐ A Dense forest with high rainfall
- ☒ B Found in regions with 100–200 cm rainfall ✓
- ☐ C Dry regions with minimal rainfall
- ☐ D Found in coastal regions with heavy monsoons

✓ Answer: B) 100–200 cm rainfall

| Forest Type               | Rainfall          | Trees / Features                                 | Location (India)                |
|---------------------------|-------------------|--------------------------------------------------|---------------------------------|
| Tropical Evergreen        | >200 cm           | Dense; Ebony, Mahogany, Cinchona                 | W. Ghats, Andaman, NE Meghalaya |
| <b>Tropical Deciduous</b> | <b>100–200 cm</b> | <b>Teak, Maugha, Sheesham, Palas, Sandalwood</b> | Central & Peninsular India      |
| Dry Deciduous             | 70–150 cm         | Parkland landscape                               | Interior Deccan                 |
| Tropical Thorny           | <50 cm            | Cactus, thorns = modified leaves                 | Rajasthan, Gujarat              |
| Mangroves                 | Coastal           | Pneumatophores (breathing roots)                 | Sundarbans, Andaman             |

**HIMALAYAN ZONES (Bottom → Top)** 

Deciduous → Temperate → **Taiga / Coniferous** (Taiga = untouched Russian word; juniper, cedar, chir, pine) → Alpine → Tundra

Q10. **History** 📖 *Primary purpose of the Regulating Act of 1773?*

- ☐ A Establish new administrative system for EIC
- ☐ B Grant complete independence to EIC
- ☒ C Control and regulate the affairs of EIC ✓
- ☐ D Eliminate British government's influence in India

✓ Answer: C) Control and regulate affairs of EIC

→ **Regulating Act 1773 – Key Provisions**

- Company officers banned from private trade
- **Supreme Court** established in Calcutta
- **Warren Hastings** = 1st Governor General of Bengal
- Earlier he was only Governor (not GG)

**PITT'S INDIA ACT 1784** 📋

Created Board of Control (administrative) alongside Court of Directors (commercial)

Q11. **Economics** 💰 *Current account of balance of payments primarily records –*

- ☐ A Foreign Direct Investment (FDI)
- ☐ B External loans
- ☒ C Trade in goods and services ✓
- ☐ D Buying land abroad

✓ Answer: C) Trade in goods and services

| <i>Account</i>         | <i>Includes</i>                                                            |
|------------------------|----------------------------------------------------------------------------|
| <b>Current Account</b> | Goods (Visibles) + Services (Invisibles) + Remittances / Transfer payments |
| <b>Capital Account</b> | FDI, FPI, External loans, Other capital flows                              |

→ **FDI vs FPI**

- **FDI** = Stable, long-term; Investment >10% = FDI
  - **FPI** = Hot money — leaves economy quickly
  - Defense FDI: up to 74% via automatic route; beyond = government approval
- India's CAD with China ≈ \$113 billion (imports ~\$131B, exports ~\$29B)

Q12. **Geography**  Characteristic feature of the Bhabar region?

- (A) Wide marshy area with reappearing streams
- (B) **Narrow belt with disappearing streams and large pebbles ✓**
- (C) Area of main alluvial deposits
- (D) Flat plains with fine alluvium

✓ **Answer: B) Narrow belt — streams disappear**

| Belt                 | Width               | Key Feature                                                             |
|----------------------|---------------------|-------------------------------------------------------------------------|
| <b>Bhabar</b>        | 8–16 km<br>(narrow) | Large stones/pebbles; steep gradient; streams <b>DISAPPEAR</b> ✓        |
| <b>Terai</b>         | 15–30 km<br>(wider) | Streams <b>REAPPEAR</b> ; marshy/swampy; National Parks here            |
| Alluvial Floodplains | Wide                | <b>Khadar</b> (new, fertile) + <b>Bhangar</b> (old, has Kankar nodules) |

 **MEMORY TRICK**

**Bhabar** = **B**ye-bye streams (disappear) | **Terai** = streams re**T**urn 💧  
National Parks in Terai: Dudhwa (Lakhimpur Kheri, UP), Rajaji (Uttarakhand)

Q13. **History** 📖 *Bhakti saint who preached Nirgun Bhakti; verses compiled in Bijak?*

- (A) Surdas
- (B) Tulsidas
- (C) **Kabir Das** ✓
- (D) Ramanand

✓ **Answer: C) Kabir Das**

**NIRGUN BHAKTI (Formless God)** ☀️

No idol worship

- ◆ **Kabir Das** – Bijak; Guru = Ramanand
- ◆ **Raidas** (Ravidas)

**SAGUN BHAKTI (God with form)** 🙏

- ◆ **Tulsidas** – Rama devotee  
Books: Ramcharitmanas, Kavitaawali
- ◆ **Surdas** – Krishna devotee
- ◆ **Mirabai** – Krishna devotee

Q14. **History** 📖 Which major events disrupted the 3rd Five Year Plan?

- (A) Drought and economic depression
- (B) War with China, War with Pakistan, and Famine ✓
- (C) Oil crisis and political instability
- (D) Floods and industrial strikes

✓ Answer: B) China war 1962 + Pakistan war 1965 + Famine

| Plan     | Period  | Model            | Target           | Achieved | Key Note                                                            |
|----------|---------|------------------|------------------|----------|---------------------------------------------------------------------|
| 3rd Plan | 1961–66 | Gadgil Model     | 5.6%             | 2.8%     | China war 1962 + Pak war 1965 + Famine; Green Revolution introduced |
| 4th Plan | —       | Rudralayan Model | Growth+Stability | —        | —                                                                   |
| 5th Plan | —       | D.P. Dhar Model  | Self-Reliance    | —        | “Garibi Hatao” slogan                                               |

🔑 KEY POINT

**Green Revolution:** Father globally = Norman Borlaug | Father in India = M.S. Swaminathan

Q15. **Arts & Culture** 🎭 “Aftab-e-Mausiqi” was awarded to Fayaz Khan – which Gharana?

- (A) Gwalior Gharana
- (B) Kairana Gharana
- (C) Patiala Gharana
- (D) Agra Gharana ✓

✓ Answer: D) Agra Gharana

| Gharana      | Founder                          | Key Artists                                                      |
|--------------|----------------------------------|------------------------------------------------------------------|
| Gwalior      | Nathan Peer Baksh                | Hasu Khan, Haddu Khan, Nathu Khan                                |
| Agra         | Haji Sujan Khan                  | Popularized by Gagge Khuda Baksh; Fayaz Khan = Aftab-e-Mausiqi ✓ |
| Patiala      | Fateh Ali Khan / Ali Bakhsh Khan | —                                                                |
| Kairana (UP) | Abdul Karim Khan / Waheed Khan   | Pandit Bhimsen Joshi, Gangubai Hangal, Sawai Gandharva           |

 MEMORY TRICK

“Aftab-e-Mausiqi” = Sun of Music ☀️ → Agra Gharana — A for A trick!

Q16.  “Kitab-ul-Hind” — scientific & cultural compendium on India — was written by?

- (A) Firdausi
- (B) Ibn Batuta
- (C) Alberuni ✓
- (D) Amir Khusro

✓ Answer: C) Alberuni (Arabic, 11th century)

| Author     | Book          | Language | Period / Ruler                     |
|------------|---------------|----------|------------------------------------|
| Alberuni   | Kitab-ul-Hind | Arabic   | Mahmud of Ghazni (11th century)    |
| Firdausi   | Shahnama      | Persian  | Mahmud of Ghazni                   |
| Ibn Batuta | Rihla         | Arabic   | Muhammad bin Tughlaq; from Morocco |

DURING MUHAMMAD BIN TUGHLAQ 📌

*Bahmani Sultanate + Vijayanagara Empire both established (by Harihar & Bukka)*

Q17. Geography 🌐 Sardar Sarovar Dam is located on which river?

- ☐ A Tapti River
- ☒ B Narmada River ✓
- ☐ C Chambal River
- ☐ D Mahanadi River

✓ Answer: B) Narmada River, Gujarat

- ★ Originates: **Amarkantak Plateau**
- ★ Longest **west-flowing river** of India
- ★ Flows in rift valley between **Vindhya** and **Satpura** ranges
- ★ **Sardar Sarovar Dam** near **Statue of Unity**, Gujarat
- ★ Tapi = 2nd longest west-flowing river; originates from **Betul Plateau**

→ **Important Dams**

| <i>Dam</i>               | <i>State</i>                         | <i>River</i>              |
|--------------------------|--------------------------------------|---------------------------|
| Indira Sagar             | Madhya Pradesh                       | Narmada                   |
| Gandhi Sagar             | Madhya Pradesh                       | Chambal                   |
| <b>Rana Pratap Sagar</b> | <b>Rajasthan</b> (R=Rajasthan trick) | Chambal                   |
| Jawahar Sagar            | MP / Raj border                      | Chambal                   |
| Koyna Dam                | Maharashtra                          | Koyna (Krishna tributary) |
| Tawa Dam                 | MP                                   | Tawa (Narmada tributary)  |

Q18. **Polity** 🇮🇳 On which date did Constituent Assembly give final approval to the Constitution?

- (A) 26 January 1950
- (B) 15 August 1947
- (C) **26 November 1949 ✓**
- (D) 24 January 1950

✓ Answer: C) 26 November 1949 = Constitution Day

### → Constituent Assembly – Key People

| Role                           | Person                                          |
|--------------------------------|-------------------------------------------------|
| Temporary Chairman             | Sachchidanand Sinha                             |
| Permanent Chairman / President | <b>Dr. Rajendra Prasad</b>                      |
| Constitutional Advisor         | B.N. Rao (Sir Benegal Narsing Rao)              |
| Chief Draftsman                | S.N. Mukherjee                                  |
| Chairman, Drafting Committee   | <b>Dr. B.R. Ambedkar</b>                        |
| Speaker (CA as legislature)    | G.V. Mavalankar (also 1st Speaker of Lok Sabha) |

#### MEMORY TRICK

**Union / State Committee** in name → chaired by **Jawaharlal Nehru**

### → Critical Dates

**22 Jul 1947** National Flag adopted

**May 1949** Commonwealth membership

**26 Nov 1949** **Constitution ADOPTED** ✓ (Constitution Day)

**24 Jan 1950** National Anthem & National Song adopted

**26 Jan 1950** **Constitution CAME INTO FORCE** (Republic Day)

#### KEY POINT

Provisions effective from **26 Nov 1949** itself: Citizenship, Elections, Provisional Parliament

Q19.

Economics

*Money with no intrinsic value but declared as legal tender by government?*

- (A) Commodity money
- (B) **Fiat money** ✓
- (C) Fiduciary money
- (D) Full-bodied money

✓ Answer: B) Fiat money

| Type                     | Definition                                                                  |
|--------------------------|-----------------------------------------------------------------------------|
| <b>Fiat Money</b>        | No intrinsic value; declared legal tender by govt; <b>CANNOT be refused</b> |
| <b>Fiduciary Money</b>   | Based on trust (e.g. cheques — can be refused)                              |
| <b>Full-bodied Money</b> | Intrinsic value = Face value                                                |
| Plastic Money            | Credit cards, debit cards                                                   |
| Hot Money                | FPI — leaves economy quickly                                                |

#### → Functions of Money

✓ **Primary:** Medium of exchange, Measure of value

✓ **Secondary:** Standard of deferred payments (EMIs), Store of value

Face value = value printed on note | Intrinsic value = value of paper (paper of ₹500 note ≠ ₹500)

Q20. **Economics** 💰 Institution established in 1982 for rural credit and agriculture?

- (A) EXIM Bank
- (B) **NABARD** ✓
- (C) SIDBI
- (D) SEBI

✓ Answer: B) NABARD — 12 July 1982

| Institution   | Est.             | Key Facts                                                                                           |
|---------------|------------------|-----------------------------------------------------------------------------------------------------|
| <b>NABARD</b> | 12 Jul 1982      | National Bank for Agriculture & Rural Development; <b>B. Shiv Raman Committee</b> ; supervises RRBs |
| RRBs          | 1975 / 1976 Act  | Based on <b>Narsimham Working Group</b> ; 1st RRB = <b>Prathama Bank, Moradabad</b> (2 Oct 1975)    |
| SIDBI         | 1990             | Small Industries Dev. Bank; HQ: <b>Lucknow</b>                                                      |
| SEBI          | 1988 (Act: 1992) | Securities & Exchange Board; HQ: <b>Mumbai</b>                                                      |

🔑 KEY POINT

**RRB Shareholding:** Central Govt = 50% | Sponsor Bank = 35% | State Govt = 15%

**RBI regulates RRBs | NABARD supervises RRBs**

Q21. **Scheme** 🏛️ Atal Pension Yojana is open to citizens in which age group?

- (A) **18 to 40 years** ✓
- (B) 18 to 50 years
- (C) 21 to 45 years
- (D) 25 to 60 years

✓ Answer: A) 18 to 40 years

- ✓ Subscription age: 18–40 years
- ✓ Pension starts at: Age 60
- ✓ Pension amount: ₹1,000 to ₹5,000 / month (depends on contribution)
- ✓ Ministry: **Ministry of Finance**
- ✓ Target: **Unorganized sector** workers (>90% of India's workforce)

Q22. **History**  Battle of Khanwa was fought between?

- ☒ A) Babur and Rana Sanga ✓
- ☐ B) Akbar and Rana Pratap
- ☐ C) Humayun and Sher Shah Suri
- ☐ D) Alauddin Khilji and Prithviraj Chauhan

✓ Answer: A) Babur vs Rana Sanga — 1527

 MEMORY TRICK

**Babur's Battles — Memory Trick: 1526 → 27 → 28 → 29 (consecutive years!)**

| <i>Battle</i>      | <i>Year</i> | <i>Between</i>                | <i>Winner</i> | <i>Key Fact</i>                                              |
|--------------------|-------------|-------------------------------|---------------|--------------------------------------------------------------|
| <b>1st Panipat</b> | <b>1526</b> | Babur vs Ibrahim Lodi         | Babur         | Delhi Sultanate ends; 1st use of <b>Tughlana</b> + gunpowder |
| <b>Khanwa</b>      | <b>1527</b> | Babur vs <b>Rana Sanga</b>    | Babur         | ✓ Exam answer                                                |
| Chanderi           | 1528        | Babur vs Madini Rai           | Babur         | —                                                            |
| Ghaghra            | 1529        | Babur vs Afghans              | Babur         | —                                                            |
| Chausa             | 1539        | Humayun vs Sher Shah Suri     | Sher Shah     | —                                                            |
| Kannauj (Bilgram)  | 1540        | Humayun vs Sher Shah Suri     | Sher Shah     | Humayun flees to Iran (Safavid Dynasty)                      |
| Haldighati         | 1576        | Akbar's forces vs Rana Pratap | Inconclusive  | Akbar didn't personally participate!                         |

⚠ EXAM TRAP!

Alauddin Khilji never fought Prithviraj Chauhan — **different eras!** | 1st Tarain 1191: Prithviraj won | 2nd Tarain 1192: Ghori won

Q23.

Geography

Stmt 1: Cold dry winds blow from Himalayas to oceans in winter. Stmt 2: Cold season has uniformly high temperatures N to S.

(A) Statement 1 TRUE, Statement 2 FALSE ✓

(B) Both TRUE

(C) Both FALSE

(D) Statement 1 FALSE, Statement 2 TRUE

✓ Stmt 1 TRUE ✓ | Stmt 2 FALSE ✗ (Temperature is NOT uniform N to S in winter)

★ SE trade winds → cross equator → deflect right (Coriolis, NH) → Mascarene / Madagascar High forms → Low pressure over India → SW Monsoon

★ "Monsoon" = Arabic word = Seasonal reversal of winds

#### ARABIAN SEA BRANCH

- Western Ghats (orographic rain)
- Narmada Valley + Aravallis
- Confluence in Punjab Plains

#### BAY OF BENGAL BRANCH

- Andaman & Nicobar
- Meghalaya Plateau
- Deflects westward

#### → Timeline

1st week June Monsoon enters India

15 July Covers all India

~1 week break Break-in-Monsoon

Aug-Sep Retreats from NW first = NE / Retreating Monsoon

#### KEY POINT

Tamil Nadu gets rain in **WINTER** from Retreating Monsoon — rain shadow for Arabian Sea branch; Bay of Bengal branch runs parallel to Tamil Nadu coast

Continentality effect → Delhi/Kanpur = extreme cold | Coastal areas = mild  
(sea moderating effect)

Q24.

Economics

Which shows accurate understanding of a macroeconomic concept?

- ☐ A GDP includes earnings from home by citizens working abroad
- ☒ B When price level rises, value of money tends to fall ✓
- ☐ C Budget is balanced when exports exceed imports
- ☐ D Central bank controls inflation mainly through income tax rate

✓ Answer: B) Price rises → value of money falls

⚠ EXAM TRAP!

Why other options are **WRONG**:

A: Earnings of Indians abroad = **GNP**, NOT GDP (GDP = produced within territory)

C: Balanced budget = exports **EQUAL** imports; exceeding = **Trade Surplus**

D: Income tax = **Fiscal Policy** by Govt | RBI controls inflation through **Monetary Policy** (repo rate, CRR, SLR)

🔑 KEY POINT

B ✓: Inflation → purchasing power **FALLS** | **Debtor benefits** from inflation (repays with cheaper money)

Real interest rate = Nominal rate – Inflation rate

Q25 (Bonus).

Economics

Fathers of Economics –

- ☐ A Father of Modern Economics?
- ☐ B Father of Macroeconomics?
- ☐ C Father of Microeconomics?

✓ A) Adam Smith | B) J.M. Keynes | C) Alfred Marshall

| <i>Person</i>          | <i>Title</i>                      | <i>Key Work</i>                                    |
|------------------------|-----------------------------------|----------------------------------------------------|
| <b>Adam Smith</b>      | Father of <b>Modern Economics</b> | Wealth of Nations — invisible hand, animal spirits |
| <b>J.M. Keynes</b>     | Father of <b>Macroeconomics</b>   | General Theory of Employment, Interest and Money   |
| <b>Alfred Marshall</b> | Father of <b>Microeconomics</b>   | Principles of Economics                            |

## Quick Revision — All 25 in One Shot

| # | Topic                           | Key Answer                                       |
|---|---------------------------------|--------------------------------------------------|
| 1 | Satriya dance — state           | <b>Assam</b>                                     |
| 1 | Satriya — founder               | Srimanta Sankardev   Other name: Shuddha Kanthak |
| 2 | Lingaraja Temple — style        | <b>Kalinga (Nagar)</b>                           |
| 2 | Konark = Black Pagoda           | Jagannath Puri = White Pagoda                    |
| 3 | Stagflation — Phillips Curve    | <b>FAILS here</b>                                |
| 4 | Chholiya dance — state          | <b>Uttarakhand (Kumaon)</b>                      |
| 5 | Richter scale measures          | Magnitude (0–10)                                 |
| 5 | Mercalli scale measures         | Intensity (I–12)                                 |
| 5 | Most destructive seismic waves  | <b>Surface waves</b>                             |
| 6 | Article 164 — about             | Oath by <b>Governor</b>                          |
| 7 | Mission Indradhanush — launched | 2014   12 vaccines                               |
| 8 | Ramakrishna Mission — founded   | 1 May 1897 by Vivekananda; HQ: Belur Math        |

|    |                                        |                                         |
|----|----------------------------------------|-----------------------------------------|
| 8  | Vivekananda born                       | 12 Jan 1863 = National Youth Day        |
| 8  | Brahmo Samaj — year                    | Raja Rammohan Roy, 1828                 |
| 8  | Arya Samaj — year                      | Dayanand Saraswati, 1875                |
| 9  | Tropical Deciduous — rainfall          | 100–200 cm                              |
| 10 | Regulating Act 1773 — 1st GG of Bengal | Warren Hastings                         |
| 11 | Current Account — includes             | Trade in goods & services + remittances |
| 12 | Bhabar — streams                       | Disappear                               |
| 12 | Terai — streams                        | Reappear                                |
| 13 | Kabir's couplets — called              | Bijak   Guru = Ramanand                 |
| 14 | 3rd Five Year Plan — model             | Gadgil Model                            |
| 14 | Green Revolution (India) — father      | M.S. Swaminathan                        |
| 15 | Aftab-e-Mausiqi — Fayaz Khan           | Agra Gharana                            |
| 16 | Kitab-ul-Hind — written by             | Alberuni (Arabic, 11th century)         |
| 16 | Ibn Batuta's book                      | Rihla   From Morocco                    |
| 17 | Sardar Sarovar Dam — river             | Narmada (Gujarat)                       |
| 17 | Rana Pratap Sagar — state              | Rajasthan — Chambal River               |
| 18 | Constitution ADOPTED                   | 26 Nov 1949                             |
| 18 | Constitution ENFORCED                  | 26 Jan 1950                             |
| 18 | Drafting Committee Chairman            | Dr. B.R. Ambedkar                       |
| 19 | Fiat money — cannot be                 | Refused (legal tender)                  |
| 20 | NABARD — established                   | 12 July 1982                            |
| 20 | NABARD — based on committee            | B. Shiv Raman Committee                 |
| 20 | 1st RRB                                | Prathama Bank, Moradabad (2 Oct 1975)   |
| 20 | SIDBI HQ / SEBI HQ                     | Lucknow / Mumbai                        |
| 20 | RRB — Central Govt share               | 50%                                     |

|    |                                 |                                                     |
|----|---------------------------------|-----------------------------------------------------|
| 21 | Atal Pension — age              | 18 to 40 years                                      |
| 22 | Battle of Khanwa                | Babur vs Rana Sanga (1527)                          |
| 22 | 1st Battle of Panipat           | 1526 — Babur vs Ibrahim Lodi                        |
| 23 | Retreating monsoon rain — state | Tamil Nadu (Coromandel Coast)                       |
| 24 | GDP vs GNP                      | GDP = within territory   GNP = by citizens anywhere |
| 25 | Father of Modern Economics      | Adam Smith (Wealth of Nations)                      |
| 25 | Father of Macroeconomics        | J.M. Keynes                                         |
| 25 | Father of Microeconomics        | Alfred Marshall                                     |
